To Whom It May Concern:

Canpar Transport is a national courier headquartered in Mississauga. We employ approximately 900 drivers of which approximately 100 operate class 8 vehicles. In addition we rely heavily upon the longhaul for hire carriers in Ontario to provide transportation.

These carriers move approximately 5500 loads annually on our behalf. Approximately 75% of our operators are Ontario based. These drivers required for these loads are predominately owner operators and the current shortage has impaired our ability to provide service to Ontario shippers.

Canpar supports the proposed Professional Truck Owner Apprenticeship program. It would be a benefit and assist Canpar in not only acquiring qualified drivers for our operations but also the carriers that we depend on to provide longhaul service.

Yours very truly,
